DETAILED ACTION

Response to Amendment

1. The response filed on July 18, 2006 is acknowledged.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 102

3. Claims 1, 2, 3, 5, 12, 16, 17 are rejected under 35 U.S.C. 102(b) as being anticipated by Bishop (5,356,076).

Bishop discloses a hose-end sprayer assembly comprising: a housing 13; a rotary valve 15; means 34 for defining a vent path; a closing means 29 that is pivotable about a member 30.

Allowable Subject Matter

4. Claims 4, 6, 7, 8, 9, 10, 11, 13-15, 18-26 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Response to Arguments

5. Applicant's arguments filed July 18, 2006 have been fully considered but they are not persuasive.

Applicant argues that Bishop does not disclose a closing means that is pivotable about a member disposed external to said rotary valve in response to rotation of said rotary valve. Bishop's closing means 29 is pivotable about a member 30 disposed external to the rotary valve 15 in response to rotation of the rotary valve 15. The closing means 29 can be manually rotated in response to the rotation of the rotary valve 15.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
